Watershed Committee Announces New Executive Director

The Board of Directors of the Watershed Committee of the Ozarks, Inc. has named Mike Kromrey as the organization's new Executive Director. Kromrey replaces Loring Bullard, the former Executive Director, who retired in December after 22 years with the organization. Kromrey has been with the organization for the past six years, having formerly served as the Education/Outreach Coordinator. In addition, Kromrey has been the Co-Chair of the Natural Environment Committee for the City of Springfield's Strategic Plan and has also served on the Springfield/Greene County Environmental Advisory Board.

Watershed Committee of the Ozarks, Inc. is a not-for-profit 501©3 whose mission is to preserve and improve the water supplies of Springfield and Greene County through education and effective management of the region's resources.
